Club 2000 – Round 5

We were blessed with a hot, sunny day for Round 5; the 2nd post lockdown.

All that pent-up energy from months in quarantine was put to good use and we had three new lap records:

Honda – Joshua Smith: 46.11

Minimax – Elliot Reed-Hughes: 42.19

Senior Rotax – Ben Maxim: 39.89

HONDA

Joshua Smith (15) was a man on a mission in this round. He led from the beginning and ended up with 1st's in all heats and the Final. Luke Bate (9) was his closest contender for most of the day, only dropping position in one heat, ending up with a near full set of 2nds and a 4th in Heat 3. 3rd place in each heat and the final was taken by a different driver: Heat 1: Lewis Cadwell (28); Heat 2: Hayden Gray (16); Heat 3: Ollie Clark-Ward (4); Final: Jenson Mason (58)

Joshua Smith (15) claimed the fastest Honda lap of the day with a 46.11 in Heat 2 which got him the Honda lap record; he also achieved the fastest average speed of 57.14 mph in Heat 3.

- 2nd** Luke Bate (9)
- 3rd** Jenson Mason (58)

MINIMAX
